FE-1071 - Funeral Establishment Operator - Class 1 - CM-02946 - Cemetery Operator

Established in 1873, Beechwood is recognized as one of the most beautiful and historic cemeteries in Canada; designated as a National Historic Site.

It is the final resting place for over 85,000 Canadians. Beechwood is proud to be the home of the National Military Cemetery, the RCMP National Memorial Cemetery, CSIS National Memorial Cemetery and the Ottawa Police Service Memorial Cemetery.

Beechwood has served all cultures and faiths with care and compassion and is proud to have sections designed to meet the interment needs of the Chinese, Egyptian, Greek, Lebanese, Latvian, Muslim, Polish, Portuguese, Ukrainian and Vietnamese communities.

BEECHWOOD'S MISSION STATEMENT:

"Beechwood, operating on a not-for-profit basis, will be governed efficiently and effectively in the spirit of public service for our community and our nation. Beechwood will ensure that, both at time of need and in perpetuity, it will be operated and maintained in the highest order in memory, honour and respect of those who have left this world before us."

The CSIS National Memorial Cemetery

A memorial to those who served courageously in the shadows

The CSIS National Memorial Cemetery is an outward appreciation of the service of the CSIS and its current and former employees.

The CSIS National Memorial Cemetery was created by the tri-partnership between CSIS, the Pillar Society and Beechwood Cemetery Foundation. Over the course of the next few years, the CSIS National Memorial Cemetery will be building a memorial monument that will honour all current and former CSIS employees. CSIS NMC will have significant enhancements including flagpoles, pathways and beautiful landscaping.

The CSIS National Memorial Cemetery will be a place of national commemoration for current and former CSIS employees and all Canadians.

The men and women of CSIS, like their predecessors in the RCMP Security Service, have served Canada, the Canadian people and Canadian interests overseas, since the mid 1940's. They have gone about their work quietly, without public recognition and expecting none. The men and women of CSIS and the Pillar Society now have a final, dignified resting place, hallowed ground where family, friends and other Canadians may pay their respects, within the shadow of the Peace Tower. They are honoured to rest in the company of the Canadian Forces, RCMP and Ottawa Police Service.

For they have all dedicated their lives to Canada and the Canadian people and have contributed greatly to making Canada the wonderful country that it is.

The CSIS National Memorial Cemetery, to our knowledge, is the only Western intelligence service that has a dedicated national memorial cemetery dedicated to its employees.

Your interest in the CSIS National Memorial Cemetery

Dear Member;

Thank you for your interest in the CSIS National Memorial Cemetery, at Beechwood Cemetery.

There are many single and two grave locations available and all locations are extra depth allowing 2 traditional casket burial per grave. We also allow up to 8 urns per grave to be interred in all traditional graves.

All traditional locations will allow for a single upright family monument. A single sized monument will generally hold up to 2-3 names and a two grave monument as many as 6-8 as the additional 8 inches of width allows us to accommodate more information on one line.

All monuments must have the CSIS crest to the top of the monument and can accommodate other crests as long as they are not larger than the CSIS crest.

We have a number of cremation lots with each location accommodating 4 urns per lot. This location will use an angled Pillow style monument in black granite with room for the CSIS crest and 2 names.

The Beechwood Cemetery will retain \$300 from every land/niche sale within the section and this will go toward the central monument.

To show our commitment to the community, we are offering:

- 10% discount on land and niche purchases.
- 10 % discount on funeral services, if pre-arrangemenged before a death has taken place

Our rates will be reviewed and updated on an annual basis beginning April 1of each year but families will still enjoy discounts off Beechwood's regular rates.

We look forward to serving the CSIS community for many generations to come. If you have any questions or concerns, please do not hesitate to contact us.

Thank you
